The guidelines and information of this catalog are not to be regarded as an irrevocable contract. The Administrative Staff of the Rock of Ages College of Biblical Studies and Theological Seminary reserve the right to modify, revoke, or add to these guidelines and the information that follows, at any time.

An agreement letter will be issued as you begin each new year of studies. The price of enrollment fees and tuition will be stated in the agreement letter, based on the current catalog/handbook pricing, and will not be subject to change as long as the student stays active in their studies in accordance to the guidelines set forth in this catalog/handbook.

If a student drops out of Rock of Ages College of Biblical Studies and Theological Seminary and later returns, the student is subject to regulations in effect at the time of reinstatement.

Due to the fact that some people acquire a catalog/handbook and do not get started for quite some time, prices and guidelines may have changed. The guidelines and the prices of enrollment fees and tuition will be subject to change, based upon the catalog/handbook price that is current.

Book distributors change their prices without notice, due to price increases in materials, labor cost, and shipping. With this in mind, we must, from time to time, increase our fees also, just to cover our cost.

Our goal is to assist you and to do all that we can to keep the cost as low as possible. We want to make this the most affordable program of study available. Our desire is to help you be a good steward with the finances that God has entrusted to you.

A Special Note from Our President

A Note of Encouragement from Our Executive Vice President

*“And he said unto them, These are the words which I spake unto you, while I was yet with you, that all things must be fulfilled, which **were written** in the law of Moses, and in the prophets, and in the psalms, concerning me. **Then opened he their understanding, that they might understand the scriptures.**”*

Luke 24:44-45

It was after our resurrected Lord opened the understanding of the disciples, that their understanding of the Scriptures was enlightened. A greater knowledge of the Word of God and the work of the Savior was the result. Through understanding Scripture, and the empowerment of the Holy Spirit, the disciples would proclaim the Gospel with boldness and power.

It is our desire that through diligent study, each student will have a greater knowledge and understanding of the Scriptures, which will enable and equip them to be a workman that needeth not to be ashamed.

In my personal Bible study it has been my practice to quote *Psalms 119:18*, “*Open thou mine eyes, that I may behold wondrous things out of thy law,*” before I begin to study.

As you set out to study, it is our desire that you begin each lesson in prayer, asking the LORD to open your mind and heart to His understanding.

The staff of the Rock of Ages College of Biblical Studies and Theological Seminary will be praying with you as you study the greatest book ever written.

May the Lord bless you as you study His Word.

In Christ’s Service,

Dr. Ricky Dunsford
Executive Vice-President

INTRODUCTION

The Rock of Ages Bible Institute became a reality after seeing a burden among our own missionary families, friends, and supporters. Time after time, we were asked, “Is there a Bible School with external studies that you can recommend?” We are sure there are many such schools available. There are some we could recommend. Likewise, there are many we could not recommend. After several years of prayer and seeking God’s will, we accepted our first student in January 1996. Later as the Rock of Ages Bible Institute expanded its range of courses the name was changed to Rock of Ages Bible Institute and College of Biblical Studies. In January 2009 we expanded the range of courses once again to include studies for Doctorate Degrees, and thus the Theological Seminary was added to the name.

Rock of Ages Ministries’ verse, *II Corinthians 4:5* says, “*For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus’ sake.*” It is our goal through this school to provide the tools for men and women to further the cause of Christ.

God has given gifts to each of His children for the purpose of doing His work on this earth, *Romans 12:6* “*Having then gifts differing according to the grace that is given to us,...*” Our desire is to help you express those gifts in your life and ministry. We believe you should be equipped to do your best for our Lord. We want to help you through the study of God’s Word.

Rock of Ages Bible Institute and College of Biblical Studies is designed to give its students the solid foundation needed to be successful in the Lord’s work. The Rock of Ages Theological Seminary is an avenue for the serious student to further their studies through postgraduate courses.

As we have already mentioned the names reflect three institutions by three different names (**Rock of Ages Bible Institute, College of Biblical Studies, and Theological Seminary**). We will explain this in the paragraphs below, but the following verse sums it up very well. *II Timothy 2:15* says, “*Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing*

the word of truth.” God’s command to study His Word is to each and every one of us. It is not dependent upon whether or not you completed high school or not. Therefore, in trying to aid all of God’s children in the area of obedience to God’s command to study to shew thyself approved, we have made available two institutions for study. Hereby, you can accomplish God’s will in your life concerning studying, regardless of whether or not you finished high school.

Through the first institution, **Rock of Ages Bible Institute**, a One Year Certificate of Biblical Studies can be earned with no requirements of a High School Diploma or G.E.D. We believe that there are many people, that never completed their high school education, and now after being saved, they see their need for an education more than ever before. They now have a desire to conduct a more in-depth study of God’s Word. Rock of Ages Bible Institute is the way for this to take place. We believe that it is well pleasing unto the Lord for His children to apply themselves to the study of His Word. The presentation of this Certificate will be through **Rock of Ages Bible Institute**.

Through the second institution, **Rock of Ages College of Biblical Studies**, we offer Degree Programs (Associate, Bachelor). These degrees will be earned in accordance with the guidelines set forth in this catalog/handbook, and the instruction sheet that will accompany each course. The presentation of these degrees will be through **Rock of Ages College of Biblical Studies**. Due to the higher academic level of these degrees, the requirements are naturally higher as well. All degree programs require a High School Diploma or at least a G.E.D., before enrollment will be permitted.

Our anticipation is that once you enroll and begin your studies, you will be determined to continue on. *Philippians 3:14* says, “*I press toward the mark for the prize of the high calling of God in Christ Jesus.*” It will take great effort on your part to be faithful to your studies. You have an adversary that does not want you to be diligent in the study of God’s Word, and he will do all he can to interfere with, hinder, or even halt your studies. We want to challenge you to set a goal for the completion of each course, and then to make yourself accountable to someone near you, to reach your goal. Press

toward that mark for the Lord.

The Rock of Ages Bible Institute will issue One Year Certificates of Biblical Studies. The presentation of Associate and Bachelor Degrees will be through the College of Biblical Studies. The presentation of the Masters and Doctorate Degrees will be through Rock of Ages Theological Seminary.

The Rock of Ages Bible Institute will still exist as it has from the beginning to enable everyone a chance to study. However, it will be separate in name from Rock of Ages College of Biblical Studies and Theological Seminary.

Of course we are for encouraging God's people to get a good Bible-based education. Yes, we are for helping to prepare God's servants for their field of service, and there are many colleges where you could accomplish these things. However, what makes this college so unique is that Rock of Ages College of Biblical Studies and Theological Seminary is a ministry of the Rock of Ages Ministries.

You will find that reaching the **PRISONER** is at the heart of everything the Rock of Ages Ministries does. The college is no different; we are about reaching the prisoners.

Now the question is, "How can a college accomplish this task of reaching prisoners?" The price you pay for your enrollment covers the books, study guides, CDs, and shipping. However, the price of tuition is quite different, since all the office work and grading of the courses is done by missionaries and volunteers. We do not receive any part of the tuition for our labors. We are supported just like all our other missionaries are, by churches and individuals.

We have tried to make the courses of study available to you, at what I believe to be the most affordable price anywhere (**Cost of enrollment materials plus tuition**). Each year of studies through the Bachelor Degree Program consists of 32 credit hours, and that multiplied by the tuition price of **\$15.00 per credit hour** equals \$480.00, (**\$25.00 per credit hour** for tuition in the Master Degree Program which consist of 36 credit hours and equals \$900.00) and

(\$40.00 per credit hour for tuition in the Doctor of Biblical Studies, Doctor of Religious Education, and Doctor of Ministry Degree Programs which consist of 36 credit hours and equals \$1,440.00) and (\$40.00 per credit hour for tuition in the Doctor of Theology Degree Program which consist of 40 credit hours and equals \$1,600.00).

So, what happens with the tuition funds, which are paid into the Rock of Ages College of Biblical Studies and Theological Seminary? Only a small portion (25%) of this goes to the operation of the college office. Of course there are office supplies that must be purchased, and equipment that must be maintained, but we try to keep that to a minimal amount.

This enables the college to pass the majority (75%) of the tuition on to the Rock of Ages Ministries, which goes toward reaching the prisoners with the Gospel of our Lord Jesus Christ. Most people do not or did not realize that when they do their studies through this college, they not only get an education, but they are helping to get the Gospel to the prisoners as well. I really believe that you would agree this makes us one of the most unique colleges in the world. You can help others reach souls, by studying.

According to the following passage, you could be laying up fruit in heaven by studying God's Word. *Philippians 4:17 says, "Not because I desire a gift: but I desire fruit that may abound to your account."*

I guess the introduction could be summed up by saying it like this; **we are trying to build a people for the Lord, not a building or an organization.**

Since this is an external studies program, you can enroll at any time during the year, without waiting for the fall or spring semester, like most other colleges. You do not have to study at the pace of anyone else, but at your own pace to reach the goal you set for yourself. There are no set time frames, which the studies have to be completed within. It is totally dependent upon the amount of time that your schedule will permit you to study.

We realize that one reason for choosing an external studies program is because of your busy schedule and obligations to family and work / ministry. We are very much aware of the fact that things do happen that might halt your studies either briefly or for extended periods of time. Therefore, all that we expect from you is, that you to keep us updated on your progress by e-mail or telephone, at least every two months if you have not submitted completed work for grading. By notifying us that you are still working on your courses, even if you are not ready to turn it in for grading, we will keep you updated in our records as active.

We do want to encourage you to be diligent in your studies and to try to complete them in a timely manner, which I believe, would be pleasing to the Lord. (II Timothy 2:15)

Would you earnestly pray about doing your studies through Rock of Ages College of Biblical Studies and Theological Seminary?

We hold strictly to the Authorized King James Version. No other version will be permitted for our missionaries or students of the Rock of Ages College of Biblical Studies and Theological Seminary.

What if I answer questions requiring Bible quotes using a different version of the Bible?

Your answer will be marked as incorrect. You are to follow the guidelines set forth in these studies. Many of the textbooks will have other versions quoted in them, (this is why we have a disclaimer in the front of every book stating that we do not agree with the other translations that are used in their text) but we want you to use the King James Bible for your quotes.

Not at the present time. Due to this being an External Studies College, we have students that are literally around the world. We are at least in the planning stages of what we may be able to offer in the future (next 2-3 years).

Can we email our finished courses to you?

No. We are trying to keep the cost of the college at the very lowest possible expense. If you e-mailed them to us, we would have to print them out for grading purposes, and that would increase our overhead more. It is better for each student to do his or her own printing. (The only exception to this rule would be for individuals living outside the United States)

Accreditation Status

The Rock of Ages College of Biblical Studies and Theological Seminary is fully supported by student tuition. Any moneys not used for the expense of the college will help the Rock of Ages Ministries carry the Gospel of Jesus Christ to prisoners around the world. Therefore, while receiving a Bible Education our students are helping win souls in prison.

A special note of interest is placed here to clarify our position on accreditation. The Rock of Ages College of Biblical Studies and Theological Seminary is **NOT accredited** by any state educational system. We are not a Liberal Arts College and are not recognized by anyone other than the Lord Jesus Christ.

We cannot assure you that the work you do or the degree you earn will be transferable to another school, college, or Bible Institute. Nor can we assure that your degree will qualify you for a teaching position or any other employment opportunities. (We are not saying it will not be transferable or accepted. We just cannot assure you that it will be.) However, most Bible Colleges will accept a transfer of credits from Rock of Ages College of Biblical Studies and Theological Seminary.

We do believe Christian workers, Sunday School Teachers, Preachers, and students of the Bible will gain much knowledge for their personal ministry and service for the Lord. We believe God will richly bless those who prepare themselves for His service. With us, you can prepare as you continue in your present work or ministry.

If approval “by man” is what you are looking for there are many such schools you may attend. If approval by God is your objective, we want to help you to reach that goal. You may study at your own pace in the privacy of your home at an affordable cost.

“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.” II Timothy 2:15

LIFE AND MINISTRY EXPERIENCE

Preachers and Christian workers that have served five or more years in full time positions of Christian service will be awarded life experience credits, if they qualify. Evaluation will be on an individual basis, and will be determined by the college staff.

We realize that some preachers and Christian workers have been, bivocational for many years. They are laboring in two places of employment, and working just as hard at both jobs, as someone only working in one place of employment. These preachers and Christian workers have served the Lord faithfully and labored long hours for the cause of Christ and are worthy of recognition for their service also.

No preacher or Christian worker will be ignored that can validate their service of five or more years of adequate time invested in the ministry through the following: preaching, teaching, and church related ministries.

Validation would require signed statements from the pastor, and deacons or trustees, testifying to the fact that the appropriate hours have been served for the number of years submitted by the applicant, ministering in the Lord's call upon their lives. Also, we would expect the applicant to provide materials to validate subject matters taught, etc. as proofs of ministry.

Up to but not exceeding six credit hours may be awarded for each year of **documented Christian service**. The maximum life experience hours will not exceed **60 Credit Hours**, and will apply only toward the Bachelor Degree. **A minimum of 32 hours must be completed through this institution for each degree awarded.**

There will be a non-refundable one-time fee of \$100.00 for life experience evaluation.

Please fill out and submit your College Application, and Life Experience Application, along with the above mentioned (signed) documentation for consideration. **Final approval will be at the discretion of the Rock of Ages College of Biblical Studies and Theological Seminary Staff.**

Submission of life and ministry experience will only be accepted at the time of application.

“Let all things be done decently and in order.” I Corinthians 14:40

It would not be ethical to allow someone to enroll and do courses for the earlier years, and then submit years of life and ministry experience to by-pass the more difficult courses of the later years.

We are not ignoring the experience you have, and we know that experience is of great value, but we have to set parameters, and adhere to them.

To illustrate here is a hypothetical scenario. If you had four years of experience and enroll in the college, you cannot come back after you finish another year of ministry and say well I now have five years, I want to use my life and ministry experience. It is based upon what you have at the time of application.

“For if there be first a willing mind, it is accepted according to that a man hath, and not according to that he hath not.”

II Corinthians 8:12

There may be other colleges that will allow this. However, we are trying to maintain the highest level of integrity possible.

We want our students to be able to display their diplomas with a sense of achievement, knowing they have worked and earned their degrees. When others see your degree hanging on your wall, we want them to know that you earned it.

There are too many colleges that have become what is known as a paper mill. They are handing out degrees with little or no validation of work or study. This cheapens education and is a disgrace to what God’s Word has mandated for the child of God.

“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.” II Timothy 2:15

TRANSFER OF CREDITS

We are happy to offer credit for subjects previously studied that are offered in this catalog, **if completed with a school of our faith (Baptist) and Scriptural doctrine**. A transcript or other proof of subject completion must be submitted to obtain credit.

Evaluation of transferable credits will be made from official transcripts after the student has been accepted for admission. Students from schools of higher learning will receive credit for equivalent courses in which a “C” average or better is maintained, provided the content of the courses meet requirements for the student’s program.

A minimum of 32 hours must be completed through this institution for each degree awarded.

If original transcripts cannot be provided, a decision to accept or reject credits will be made by the Staff of the Rock of Ages College of Biblical Studies and Theological Seminary.

English (if it meets college standards and credit requirement equivalent) is the only (individual subject) non-Biblical course that will qualify for transfer of credit (Unless you have earned a degree from another institution).

We have implemented an **Evaluation Program** (Effective January 31, 2008) for new applicants that have completed an Associate, Bachelor, or Master Degree Program through an acceptable (secular) institution.

You can validate your (earned) degree by presenting us a copy of your original diploma or preferably a set of original transcripts from the institution (no copies of transcripts accepted). We will review and consider your studies after we receive the copy of your diploma or the original transcripts, and after you have completed the required **Evaluation Program** offered by Rock of Ages College of Biblical Studies and Theological Seminary.

2. Full payment of all financial obligations (registration, enrollment fees, tuition, or any other incurred expenses).
3. Submission of any and all documents (Transcripts, diplomas, G.E.D., or any other required validation).
4. All Bible Certificates and Degrees will be mailed to the recipients upon satisfaction of all requirements as listed above.

STATEMENT OF FAITH

- We believe that the Scriptures of both the Old and New Testaments are verbally inspired of God and that they are the supreme and final authority for faith and practice. We accept the Authorized King James Version to be the Word of God, without error.
- We believe in a Triune God, who is — God The Father, God The Son, and God The Holy Spirit. (Ephesians 2:18)
- GOD THE FATHER, Creator of Heaven and earth, perfect in holiness, infinite in wisdom, rich in grace, supreme in love, and measureless in power. He hears and answers prayer. He saves from sin and death all who come to Him through Jesus Christ.
- GOD THE SON, JESUS CHRIST, GOD'S only begotten Son and born of the virgin Mary. He is the only atonement for the sin of this world by the shedding of His blood on the cross. We believe that He arose bodily, ascended into Heaven and is seated at the Father's right hand as our High Priest and Only Mediator. We look for His personal, premillennial, imminent return.
- GOD THE HOLY SPIRIT, a Person who is co-equal with the Father and the Son. He is sent from God to reprove the world of sin and to regenerate all who receive Christ as personal Saviour.
- We believe that man was created in the image of God, but because of Adam's transgression, the whole human race fell. All men everywhere are sinners, both by nature and by choice.
- We believe in a personal devil who was cast out of Heaven and is now the prince of the air. He is the archenemy of God. He has already been judged and someday will be cast

into the lake of fire to be tormented day and night, forever and forever.

- We believe that salvation is by grace, through faith in the shed blood of the Son of God, which was shed for the sins of all mankind, not merely for a selected few. When someone receives salvation, they are eternally secure.
- We believe that Heaven and Hell are literal places, prepared of God as the only eternal abode. All those who have been saved shall live eternally with God. All those without Christ shall abide in the lake of fire forever, eternally separated from God.
- We believe local churches consist of regenerated believers who have been Scripturally baptized and are banded together for worship, work, spiritual fellowship, and spreading the Gospel to the ends of the earth. Baptism and the Lord's Supper are the only church ordinances.
- We believe in Bible separation, that is, to be set apart from the world, sin, self, and Satan, and to be separated "unto the praise of His glory" and the furtherance of the Gospel.
- We believe that all believers are to be witnesses unto the lost for Christ. We believe that all believers have certain God-given gifts and talents and are stewards for God. Some are called to preach or to other special ministries. We also believe that all who have rejected the Gospel or who have never heard the Gospel are lost, and that it is every believer's responsibility to help get the Gospel to everyone.

GUIDELINES FOR STUDY

You may work on one course at a time at your own pace until it is finished and then begin the next course. Those with a busy schedule may find that this works best for them, although it is recommended that you set a goal to complete at least one course every two (2) months.

If you have a personal problem or some situation that prevents you from turning in a completed course within a two (2) month period, a card, letter, call, or e-mail to the college explaining the situation would be appreciated, and will assure that readmission will not be necessary. If no communication is received within a four (4) month period, the Rock of Ages College of Biblical Studies and Theological Seminary reserve the right to place the student on the inactive list and readmission may be required.

Course material submitted for grading must be neat and readable. The cover page for each course must contain the course title, course number, student name, street address, city, state, zip code, social security number, date, and the completed work attached, and secured in a folder (binder) of some type (not loose leaf).

We prefer that you send one course at a time upon completion for grading. If you choose to send several courses or an entire year at one time please allow 3 – 8 weeks for grading to be completed.

If you do not type your work, please be sure that your handwriting is legible (to others). If it is not legible it will be returned to you to be rewritten. We cannot grade what we cannot read. Do not submit “mixed” work (typed and handwritten). Do not use pencils or colored pens (**Black or Blue accepted**). If your work is typed or “computer generated through a printer,” make sure the ribbon or cartridge has sufficient ink for a dark enough print. We cannot grade what we cannot see.

All work is to be done on standard size (8 ½ x 11) white paper, or white notebook paper, single spaced, and printed or written on one side only. Each page is to be numbered at the bottom center of the page, one-half inch up. Send original copy only. **Please, do make**

a copy for your records, just in case it is lost in the mail.

Only completed assignments are to be sent in. No partial assignments will be accepted.

For all courses where answer sheets are not provided; courses are to be completed as follows: **Write out the question. Leave one blank line below the question, and write your answer.** Proofread your work to correct as many errors as possible, as this will affect the grade you receive.

If you wish to have your completed work returned to you, please furnish return postage and envelope with the completed assignments.

Start with two envelopes of the same size; address one to us; address the other one to yourself. Carry both envelopes and your assignment to the post office and have it all weighed together before sealing the envelope. Put the same amount of postage on both envelopes. Fold, from end to end the one addressed to yourself, insert it and your work into the other one, seal and mail. Homework is considered first or third class mail. There is no need to send your completed assignments by Priority Mail, Overnight Express, One-Day Mail, Federal Express, etc. This is added expense for you.

Your scores will be recorded in your permanent file, and your written work will not be kept, but we will automatically mail back only the corrected pages, (if there is no return postage-paid envelope accompanying your work). If you have made a copy of the original this would save you some postage.

Should you have any questions, please contact us at the Rock of Ages College of Biblical Studies and Theological Seminary.

Disclaimer Concerning Textbooks

The **Authorized King James Version (KJV)** is the only translation of the Bible used by Rock of Ages College of Biblical Studies and Theological Seminary. We believe this is the preserved Word of God for the English-speaking world. All Scripture quotations and questions must be answered from the **KJV**. The use of any other version will be graded as incorrect.

In these modern days, it is almost impossible to purchase study books that hold strictly to the use of **KJV** Scriptures. In the study books which we have been able to obtain, there may be quotations from other versions of the Bible that we do not endorse. Yet, in the textbooks we use, there is a wealth of knowledge that can be gleaned. Therefore, we have affixed a disclaimer in the front of each textbook that we use, stating that we do not indorse or agree with the other versions of scriptures that may be used in their text.

The textbooks received from the Rock of Ages College of Biblical Studies and Theological Seminary includes the study guide. If the student has the textbook in his/her library or wishes to purchase it elsewhere, **there is a \$5.00 charge for the study guide**. If you have the same textbook, or purchase the textbook elsewhere, be sure to confirm with us that it is the same edition, revision, and printing that we use. Many books are revised and updated, some even more than once.

We reserve the right to substitute some textbooks as individual needs arise.

NOTE: Enrollment prices which reflect all needed materials (books, study guides, binders, CD, and etc.) are subject to change without notice.

Please call the **Rock of Ages College of Biblical Studies and Theological Seminary** at **(706)459-3233** for prices and questions.

Credits For A Mission Trip

We realize the value and the impact that a trip to the mission field can have upon the individual.

The impact of what the eye sees can greatly change a person's life forever. Many have simply gone to see and surrendered their life to go.

The value of seeing the needs on the mission field may forever change the value one puts upon their giving to missions to help reach souls around the world.

We realize that there are many things that may be gleaned from the experiences on the mission field that can never be taught from a book. Therefore, we are encouraging mission trips where you may glean from the years of experience of missionaries that have been there through the blessed and the difficult times.

Requirements to receive credits for a Mission Trip are as follows:

1. Missionary on the field must be of like faith (Independent Baptist). Approval will be at the discretion of the Rock of Ages and the Board of Regents.
2. The mission trip must be for the duration of at least 10 days.
3. The mission trip must be validated by the missionary that you labored with on the field. **(Form provided by the Rock of Ages upon request for the missionary to fill out.)**
4. Write 12,500 words describing the present work on the field visited, the country's information, and the mission's possibilities or potential, the needs of the mission work, the restrictions that the missionaries face, and the burden that you have or have gained as a result of the trip.

The total credits that will be earned upon the completion of the above requirements will total **4 Credit Hours**. The cost will be \$15.00 per credit hour. There will be no textbooks for these credits. **Credits will not apply beyond the Bachelor Degree.**

Students can use trips that have been taken since January 1, 2010, but must meet the above requirements even for past trips. There is a limit of **ONE** mission trip (4 credit hours) per degree earned.
