Joy to the World

By: Dr. Terry Ellis
Executive Editor
& President

"And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people." (Luke 2:10)

While most people are busy fulfilling their daily schedules and activities, they are rarely able to slow down long enough to enjoy the blessings God has bestowed upon them. However, Christmas is a time when most everyone can relax to some degree and enjoy the lights, food, festivities, and quality time with friends and family. Christmas truly is the most wonderful time of the year! Let us take time this Christmas to be reminded of the great blessings and benefits God has bestowed upon us throughout 2019 and reflect on the potential grandeur of His supply and His sufficient grace for 2020.

As we celebrate the first coming of Christ, let us also be reminded of His soon return for His Bride. The widely published Christmas hymn, "Joy to the World" was not meant to be a Christmas song. In 1719 English hymnist Isaac Watts published the song intending it to be sung for Easter. The lyrics refer to the Second Coming of Christ after the 7-year tribulation. Although the lyrics refer to Christ's second coming, it is easy to understand why it is interpreted as a Christmas song. God certainly brought joy to the world through His son Jesus Christ, and all who accept Him as their Saviour have eternal life.

Joy to the World, the Lord is come!
Let earth receive her King;
Let every heart prepare Him room,
And Heaven and nature sing,
And Heaven and nature sing,
And Heaven, and Heaven, and nature sing.

Joy to the World, the Savior reigns!
Let men their songs employ;
While fields and floods, rocks, hills and plains
Repeat the sounding joy,
Repeat the sounding joy,
Repeat, repeat, the sounding joy.

He rules the world with truth and grace,
And makes the nations prove
The glories of His righteousness,
And wonders of His love,
And wonders of His love,
And wonders, wonders, of His love.

Joy to the World, the Lord is come!

Rock of Ages Ministries would like to **Thank You** for your prayers, support, and volunteer service throughout 2019.

**From all of us at Rock of Ages,
Merry Christmas and a Happy New Year!**

Rock of Ages
COLLEGE OF BIBLICAL STUDIES
AND THEOLOGICAL SEMINARY

"For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."
(2 Cor. 4:6)

The Discipleship Institute receives many letters from inmates that are for the express reason of thanking us for providing them the Bible lessons to study. They are so appreciative of the materials, and especially for what the materials are doing for them. They tell us how they have not only learned much about the Bible and God, but how what they have learned has changed them as a person. They have been challenged to give up or stop things in their lives as well as to start many things such as daily Bible reading, studying, praying, and being a witness to others.

It is so rewarding to read those letters and see what our investment is getting in return. One cannot put a price tag on it. It is a gift that has eternal benefits. Our supporters have enabled us to send those Bible lessons free of charge to over 19,000 prisoners around the world this year. Over 1,100 of those have written and told us they got saved as a result of doing their lessons.

As Christmas is approaching many are thinking on God's Gift to mankind, the greatest Gift ever given, the Lord Jesus Christ. It has prompted me to reflect on the inmates as I mentioned earlier about how the Bible lessons have meant so much to them.

I know myself, I have trouble trying to think of what to get for people many times. Why not do something different this year? Give a gift that is going to last for years to come, and that others will benefit from too. The Rock of Ages College of Biblical Studies may be the avenue to accomplish that.

Can you think of someone that would greatly appreciate the opportunity of a Bible College education? Someone that would love to enroll, but just cannot afford it, or needs that little push to get them started. Maybe you cannot afford the cost of the whole year, but how about the books that they would need to get started. You could be the tool that God would use to direct them to a great place to study and grow in God's Grace.

(Hosea 4:6) "My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children."

Hosea states it in such a way that anyone can understand the need to study to get knowledge. The cost

of not getting knowledge is high. It is not just acquiring an education that is important, but a Bible-based education that will enable you to serve the Lord to your fullest potential.

(Hos 6:6) *"For I desired mercy, and not sacrifice; and the knowledge of God more than burnt offerings."*

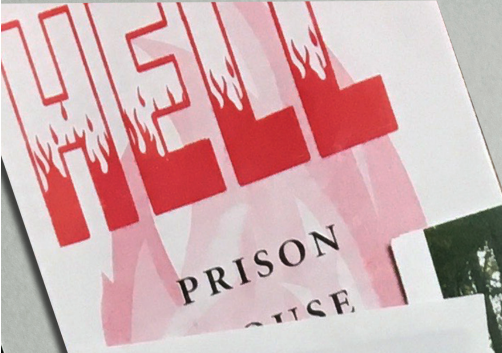

(2 Cor. 4:6) *"For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."*

Who do you know that you could give the light of the knowledge of the glory of God to?

The majority of the proceeds from the college tuition goes towards giving the light of the knowledge of the glory of God to the inmate by way of Gospel materials given to the inmate that they might be saved.

We offer very affordable prices for God's people to further their education. Please, visit our website (www.roacollege.org) and view the requirements, courses, procedures, and prices.

Dr. Gene Hooker
Publishing Administrator

Since our last newsletter we have been **very busy** and God has been so good to the Rock of Ages. Every day, the staff has been busy printing Gospel material for our missionaries. We are not a commercial publisher. Of course, there is nothing wrong with being a commercial publisher, they are important to the business world, churches and individuals who need their services. We are a nonprofit mission organization dedicated to winning the lost and disciplining new Christians. It would be a blessing if we were able to supply churches and individuals with gospel tracts and books for their ministry. With our small staff and few volunteers we are only able to keep our missionaries supplied with their need of Gospel material. There is very seldom a day we do not have teams of men and/or women laboring behind prison bars doing their best to win souls.

Friends who pray for, and support our Publishing Department make it possible for us to give our missionaries Gospel material at no cost to them. Paper for our web press comes to us at a cost of approximately \$450.00 a roll. Our color press uses flat sheets and is very expensive as well.

This year, 2019 we have printed many thousands of Gospel Tracts and books. Our missionary revival teams, chaplains, volunteers and

workers have given out 312,846 books and thousands of Gospel tracts. Due to their labor we have received letters from many that have been saved after reading our materials.

Buying material by the truck load is the most economical way to purchase it. A truck load is usually between fourteen and fifteen thousand dollars. Recently, we have had to cut back on printing due to being very low on cover stock. While we were waiting, we were able to get caught up on collating books that had already been printed. The Lord blessed and we were able to purchase a truck load of paper. We always like to be able, as our supply runs low, to order the next load so we do not have any down time. **Souls are too precious, and the need is too great for us to be idle.**

Please pray for us and if possible help us with funds to order more paper and printing supplies soon. If Jesus does not return very soon we will enter a new year and a new chapter in our lives. From now until January 2020 many souls will enter eternity lost. We must do our best to reach them before it is too late. Our only means of reaching them is through your prayers and support.

Thank you for being our friend and showing your kindness in helping us be a witness for Christ to the world.

ROA INTERNATIONAL UPDATE

By Dr. Ricky Dunsford
Vice-President & International Director

Merriam-Webster Dictionary defines **workfellow** as one engaged in the same work with another or a companion in work. This past April my wife and I entered our 31st year with the Rock of Ages and May marked the completion of 28 years serving with the foreign outreach. Today the Rock of Ages has a global outreach with ministries that include placing missionaries on the foreign field, training national partners, teaching inmates through supplying the Prisoner's Bible Institute material and Bibles for their studies. In addition, the ministry has begun helping to plant churches in areas where there is no solid Baptist Church. Recently, we have begun a more structured outreach in the public schools

in several countries through the Character Under Construction program. With a work now on six continents and working with several hundred volunteers and partners it is obvious that the good hand of the Lord has been on the work. As I thought on the above verse I realized that this great work has not been the effort of just a few, but many fellow laborers around the world have joined together with the same heart and desire to see sinners saved and workers trained to carry on the ministry. Thanks to all that give, pray and volunteer not an hour goes by that the gospel is not shared and preached somewhere in the world.

"Timotheus my **workfellow**, and Lucius, and Jason, and Sosipater, my kinsmen, salute you."

(Rom 16:21)

Brazil

The new Prison Director of Brazil has given us full approval to minister in every institution in the state of Sao Paulo again since the massive riots several months ago. We just received from the printers in Brazil four new tracts and several more are underway. We are preparing to distribute the 40,000 tracts that just arrived. Marurcio is an ex-inmate saved a year ago is now a faithful volunteer, pray the Lord will use him to reach inmates in Brazil.

Philippines

The fall revival at New Life Bible Baptist Church in Fortune Town, a suburb of Bacolod City was a huge success. The altars were filled each night and twenty souls made professions of faith. Amen! My, my how the Lord blessed, we were in several prisons, and one school. Also, we held a Bible Study in the District Jail Police Station. The Lord blessed with seven officers coming to know Him as Saviour. As we traveled back to Manila, we had a feeding program scheduled for one maximum-security section in the Manila City Jail. (All prisons, except the Penal Farms are called Jails). In this prison we provided rice, a sandwich, and soap for everyone. Later that night an inmate came up to a Sister Jail Officer and he extended his gratitude for the soap we gave. He was so excited to be able to bathe with soap. A total of 322 souls made professions of faith during this concentrated effort. What a mighty God we serve!

Dr. Larry Stikeleather | Philippine Representative

Zambia

On September 16, Amezam Shipping picked up over 25,000 pieces of Gospel literature to send to Zambia. This material will last about two years and is for use in our prison, jail and church ministries. We are thankful to the Rock of Ages Publishing Department for the gift of our material! Our Zambian national team is doing a great job laboring for the Lord!

Our Zambian national team report from the field:

Jail Evangelism Services = 16 Attendance = 274 Saved = 230

Prison Ministry Services = 13 Attendance = 667 Saved = 184

School Ministry Services = 6 Attendance = 619 Saved = 14

Missionary Jim Jeremias

Trinidad

Six churches were a part of a three-night training program with an average of 85 in attendance with participants receiving certificates for completing all three nights. Brother Jeff Bellamy did the teaching and many went away with a desire to begin an ongoing Prison Prevention Program out of their local church. The group is presently working in 22 public schools. While in the country we were able to hold services in eleven schools. As I finished my sermon in one school four students came forward and accepted the Lord as their Saviour. Two of the students were Muslim and two were Hindu. Praise the Lord for the convicting power of the Holy Ghost.

Brother Mike Adams

Africa

The Lord blest our trip to Ghana and Togo in late August to early September. We were able to preach in churches and prisons and saw 17 professions of faith in Christ Jesus – Praise God!

We held two conferences and were able to give materials to 63 churches from the container that arrived a week before we did- Thank the Lord!

LOVELY LADIES

HELP FOR THE HURTING

DR. PEGGY ELLIS | Director of Lovely Ladies Ministry

Holidays are difficult for the incarcerated being aware of their separation from family, friends, children, and loved ones. Loneliness becomes a reality and their seclusion from society hits them harder during the holidays than most other times. The hardships and deaths surrounding their families and loved ones during the holidays makes it easier for us to understand their mindset and confusion. We, here at Rock of Ages Ministries, feel that showing Christ's love during this difficult time, will make it easier for one to realize there is hope...in Christ Jesus.

Incarcerated women have grown at twice the pace of men's incarcerations in recent decades, and has disproportionately been located in local jails. This is especially troubling given that **80% of women in jails are mothers**, and most of them are primary caretakers of their children. Thus, children are particularly susceptible to the domino effect of burdens placed on incarcerated women.

Often when inmates enter the penal system, they have very poor hygiene habits that can generate hostility from other inmates. Many do not shower, brush their teeth or care for their hair on a regular basis which can result in conflict for them among other prisoners. This is where our "Help for the Hurting" Christmas Stocking Project comes in. Our ministry hands out around 6500 Christmas

Stockings filled with personal care items like soap, shampoo, toothbrushes, toothpaste, pens, pencils, writing tablets, greeting cards, gospel literature and Bibles as funds are available. These products open the door of opportunity for Rock of Ages to witness to prisoners about salvation and Christ's coming. Many lives will be changed as a result of these kind gestures, whether great or small.

NEW ONLINE VIDEO COURSES

Through the years we have seen a need in many churches for teachers, pastors are not having enough teachers to fill their need, and pastors needing quality materials for Sunday School, Bible Classes, shut-ins, and to offer college-level classes in their church.

The eight courses that we now have available are only the beginning. Each course consists of 13 – 16 lessons that will average 45 minutes each. They can be purchased and used repeatedly in multiple classes. The courses are recorded with the instructors that have written the materials doing the teaching.

These new video courses are easy to follow and impart knowledge from God's Word with great clarity, detail, and interesting visual presentations. It is a great avenue to engage more of God's people in studying His Word as it is very effective for people with limited time.

The cost of each course is \$300.00 and will include all lessons pertaining to the course purchased as detailed in the Presentation Video.

In the long run, the materials will be much more cost-efficient than curriculum that has been made available to churches in the past.

Again, our goal is to be a help to God's people, by presenting a means or method of teaching that will enhance their desire to learn. In return, I believe they will have a greater desire to serve.

ADDITIONAL RESOURCES

Revealing Islam By Dr. Robert Keeton

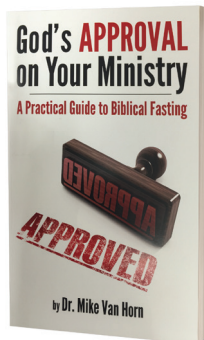

Since May of 1996, Dr. Robert Keeton has taught missionaries and held church seminars on the religion of Islam. In *Revealing Islam*, Dr. Keeton gives us an informative look at the beliefs and practices of Islam that will help to equip the reader with knowledge of how to reach them. This instructional book reveals his research to us, and the blessing he has had to put his findings into practice. He does this by providing examples of his experiences witnessing to many Muslims and seeing them come to Christ.

Dr. Keeton also reveals the rapid advance of Islam in our present day and its emerging role as the one-world religious platform for the antichrist during the tribulation period.

This is a wonderful resource, and has been instrumental in many accepting Christ as Saviour through the Biblical principles it presents.
