GOD IS ABLE

Ephesians 3:19
...unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.
...unto him be glory in the church through Christ Jesus throughout all ages, without end. Amen.

"NOW UNTO HIM THAT IS ABLE TO DO EXCEEDING ABUNDANTLY ABOVE ALL THAT WE ASK OR THINK, ACCORDING TO THE POWER THAT WORKETH IN US." (EPHESIANS 3:20)

Able - denotes having sufficient power, skill, or resources to do something or accomplish an objective. Having a quality or nature that makes something possible. It is the power one has by virtue of inherent ability and resources.

God is able to do exceedingly above all that we ask or think, that which is humanly impossible, God is able to do, and He is able to exceed all of our expectation.

In this verse, Paul is reminding the church at Ephesus that God is able to go beyond the bounds of human possibility, that He is able to achieve what is unattainable to man, that He is all sufficient in all things and that He is able to accomplish things too high, too holy, and too hard for man to attain.

Jeremiah stated, Ah Lord GOD! behold, thou hast made the heaven and the earth by thy great power and stretched out arm, and there is nothing too hard for thee: Jeremiah 32:17.

Luke the physician proclaimed, **For with God nothing shall be impossible.** Luke 1:37

Job said, **I know that thou canst do every thing,** and that no thought can be withholden from thee. Job 42:2

The testimony of the all ages from creation, to the prophets, the miracles of the Old Testament, to the disciples, and the miracles of the New Testament is that, **God is able!**

We are trusting God to do great things throughout 2020 as we take the Gospel to a lost and dying world, especially to the 10,000,000 prisoners in state, federal, provincial, and military prisons around the world and the 50,000,000 students in schools throughout America and millions more around the globe. It is a daunting task to say the least, but we believe GOD IS ABLE.

Please join with us in prayer that God will do the impossible with Rock of Ages Ministries in 2020 and enable us to reach a vast mission field that is white and ready for harvest. Come go with us, see and experience first-hand what God is doing in the prisons and schools around the world. Pray about becoming a part of Rock of Ages Ministries and joining our missionary families who have been commissioned by their local church to partner with us to reach these enormous mission fields.

Now unto him that is able to do exceeding abundantly above all that we ask or think...

"Whom shall he teach knowledge? and whom shall he make to understand doctrine?... "

Isaiah 28:9-10

Department of Education Update:

By: Dr. Robert Keeton
Director of Education

The words **education** or **educate** do not appear even once in the greatest book of knowledge the world has ever known, the Bible. However, the principle of it is found and exemplified from Genesis to Revelation.

Education according to Webster: is the process of receiving or giving systematic instruction, especially at a school or university.

Isaiah 28:9-10 *Whom shall he teach knowledge? and whom shall he make to understand doctrine? them that are weaned from the milk, and drawn from the breasts. ¹⁰ For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little:*

Yet, God used Solomon to warn us of some pitfalls concerning education.

Ecclesiastes 12:12 *And further, by these, my son, be admonished: of making many books there is no end; and much study is a weariness of the flesh.*

Synonyms: teaching, schooling, tutoring, instruction, pedagogy, andragogy, coaching, training, preparation, guidance, indoctrination, inculcation, enlightenment, edification, cultivation, development, improvement.

God began in Genesis to instruct man, His creation, concerning what is right and what is wrong.

Genesis 2:15-17 *And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it. ¹⁶ And the LORD God commanded the man, saying, Of every tree of the garden thou mayest freely eat: ¹⁷ But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.*

Through the entire Pentateuch, God continues His training, teaching, instructing, and the developing of His people. Throughout the Bible, God pleads with us to get understanding, and has given the Holy Spirit to aid us.

Proverbs 3:3 *Let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart:*

Hebrews 8:10 *For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into their mind, and write them in their hearts: and I will be to them a God, and they shall be to me a people:*

Revelation 22:8 *And I John saw these things, and heard them. And when I had heard and seen, I fell down to worship before the feet of the angel which shewed me these things.*

Isaiah 1:16-18 *Wash you, make you clean; put away the evil of your doings from before mine eyes; cease to do evil; ¹⁷ Learn to do well; seek judgment, relieve the oppressed, judge the fatherless, plead for the widow. ¹⁸ Come now, and let us reason together, saith the LORD: though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool.*

The question to ask is this, “When is education successful?”

When it has brought us to the feet of the Master, and has us yielded to His will, applying His principles in our lives for His service. It is not a degree, but the gaining of wisdom to apply the knowledge that only God can give, to apply what we have gleaned from our studies.

Joshua 1:8 *This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success.*

This is the result of the Application of our Education:
Philippians 3:10 *That I may know him, and the power of his resurrection, ..., Ephesians 3:19* **And to know the love of Christ, which passeth knowledge, that ye might be filled with all the fulness of God.**

SLATER
MOSELEY

After 35 years of faithful missionary service, Rock of Ages missionary Slater Moseley went home to be with the Lord Saturday, February 9th at 7:57 EST. Completing 3 years of deputation ministry, he served 27 years as a missionary chaplain at the Fulton Reception & Diagnostic Center in Fulton, Missouri along with ministering in five other facilities in the area. He accepted God's call to Big Lake, Alaska in the summer of 2015 where he and his wife Bonney served together as missionary chaplains at men's and women's facilities. He passed away at his home in Alaska with Bonney by his side.

ALFRED
PRITCHARD

Rock of Ages missionary Alfred Pritchard went home to be with the Lord February 13th. He and his wife Jean volunteered with the ministry in the state of South Carolina for many years before joining Rock of Ages and becoming full-time missionaries in 2013. Since joining the ministry they have faithfully served with our revival teams.

These two veteran missionaries went home to be with the Lord in February, 2020.

Please pray for Mrs. Bonney Moseley and Mrs. Jean Pritchard as they continue to work in the ladies facilities throughout their states. We are in great need of missionaries to help reach prisons, schools, and military facilities in the United States and around the globe. We have been claiming Matthew 9:38 for the last few years asking God to send forth labourers. *Is it possible that God may be calling you to work in missions and help reach lost souls for Christ?*

FROM THE PRINT SHOP TO THE GRAVE YARDS

Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us. Ephesians 3:20

In Mark chapter 5, Jesus crossed the Sea of Galilee to a place called Gadara. Of all the places He could have ended His voyage He chose a Grave Yard, not a sunny beach with bright sunshine and swaying palm trees.

Why a grave yard?

Because there was a man living in the tombs that no one could help. In vs. 19, when Jesus had cleansed him, delivered him from the grasp of the devil, clothed him, and put him in his right mind, He told him to, *"Go home to thy friends, and tell them what great things the Lord hath done for thee, and hath had compassion on thee."*

Since 1977 Rock of Ages Ministries has tried diligently to follow the example that Jesus gives us here in Mark chapter five. To have compassion on the incarcerated men, women, and young people, that no one could help, and

all that could be done was lock them up.

Most came to prison lost and on their way to hell. Then, one day a Rock of Ages chaplain or a revival team came to where they were and preached the Glorious Gospel of Jesus Christ. They went through the prison distributing Bibles, Gospel tracts and books, printed by our print shop staff. Through hearing the gospel preached, reading a tract or one of our books, some responded to the Gospel and began telling others what great things the Lord had done for them. Many have gone home with a changed life and are a living example of what the Lord has done in their lives.

In the last few days I have received a call from two men who were saved in prison. Both are in church serving the Lord, one of them is preaching the Gospel and asking how he can serve as a volunteer with one of our revival teams. The other was interested in the ministry because he had read one of our books while in prison.

Through your prayers and financial support for our Missionaries, the Main Office, our Discipleship Institute, and our Publishing Department we are able to tell thousands what great things the Lord can do for them.

Five days each week our Print Shop Staff is busy printing the Gospel message of Jesus Christ to be passed on to our missionaries so they, and their church volunteers, can freely give to those who are bound by the devil like the man living in the tombs that no one could set free. Thank you for your prayers and financial support that make us able to introduce thousands to The Only One Who can set them free; not from a prison of steel and razor wire, but from a prison much worse than that, the prison of sin.

Thank you for being a tremendous blessing to this ministry.

FROM THE **FOREIGN FIELD**

"Ask of me, and **I shall give thee the heathen** for thine inheritance, and the uttermost parts of the earth for thy possession." (Psalm 2:8)

I remember many years ago while sitting in a classroom in Bible college a professor stating that it would be best not to refer to sinners as heathen but rather to consider using the word 'pagan.' According to the Century Dictionary of 1897 the word 'pagan' and 'heathen' are primarily the same in meaning; but pagan is sometimes distinctively applied to those nations that, although worshipping false gods, are more cultivated, as the Greeks and Romans, and heathen to uncivilized idolaters, as the early tribes of Africa. The idea is that a pagan people would be any person that would not be a Christian, Jew or Muslim but be given to worshipping the creation more than the Creator. A heathen may or may not confess the God of Abraham but live a life denying godliness and rejecting Christ as the only way to salvation. I realize that to be an effective witness we must give care to our use of words so as not to offend. However, since the Bible uses the word 'heathen' at least 150 times it may be best to follow the lead of the scripture. **Psalm 2** opens with the statement, "Why do the heathen

rage...". Whether the word heathen, nations or sinner is used, the fact is that there are billions that deny Christ and are destined for eternal separation from God. The Lord says, "ask of me, and I shall give thee the heathen for thine inheritance." Every day at the Rock of Ages prayer is made that the Lord will equip and empower our missionaries and volunteers to share the gospel. Last year the Lord did answer with several thousand saved on foreign soil. **Please join with us in 2020 that we may yet see another great harvest.**

INDIA

It has been a few years since we made our first trip to India. In a nation where the population is predominately Hindu or Buddhist it is a great blessing to see the fruit of faithfulness. From right to left is the local pastor that we have partnered with to reach the area prisons, and an ex-inmate that just wanted to say thanks to the pastor and the Rock of Ages for bringing the gospel to his prison. He is now released and continues to serve the Lord.

Brother Mark Waddington

FOR THE SPANISH PRISONER

Dr. Bobby Sizemore served with the foreign outreach of the Rock of Ages for 27 years before being called home to be with the Lord in 2019. Brother Sizemore was responsible for developing prison works around the world. For the past 17 years Brother Sizemore concentrated his efforts in South America. One of Brother Sizemore's goals was to see the book he authored entitled "What God Wants You to Know" translated and distributed in Spanish speaking prisons. His book was translated and used in prisons throughout the Russian speaking inmates and throughout Brazil. Brother Bob's desire was to see the book translated in the Spanish language. In honor of Brother Sizemore's work, we praise the Lord the first 1500 books have been completed and prepared to be distributed to the inmates in Argentina. Join in prayer as we prepare for additional printing and distribution in Columbia and Guatemala in 2020.

Brother Mike Adams

HUNGARY

As I mentioned in my previous letter, we kept ourselves busy in the Debrecen Prison during the course of December and January to maintain this open door even during our Deputation Ministry. I counted altogether seven inmates whom I prayed with to receive the Lord as their Saviour! The Lord gave some attentive, well behaving inmates, needless to say I truly enjoyed the opportunity to teach and preach. On top of that I found out that four inmates (who just started to attend our meetings) are on the prison's suicide watch list. I counseled and helped people before who were suicidal, and I continue to have a burden to help those who contemplate to end their lives. Please pray for this aspect of our ministry. Sadly, Hungary has bad statistics on suicide. (From Zolts Kovacs' recent newsletter)

Brother Zolts Kovacs

BRAZIL

Gratitude is the word I have for your prayers and financial support for the advancement of the Gospel in Brazil. In 2019 throughout Brazil, 29 prisons were visited, and approximately 27,000 prisoners in attendance heard the Gospel. Praise the Lord for 1,918 professions of faith, and by God's grace more than 394 preaching services were conducted. Gratitude is the word we have... Please pray for an Evangelistic Campaign coming up next month. (From Missionary John Alves' recent newsletter)

Thanks for being laborers with us!

EVANGELIZING THE WORLD

I got word of the great need for disaster relief at Tabernacle Baptist Church in Freeport, Grand Bahamas. The church auditorium had a great amount of flood damage from Hurricane Dorian. Two others and I were able to help do some drywall work. I was also privileged to preach to 400 or more students in two different services at the Christian school. It was a great joy to see several hands signify their profession of faith!

It was just like the LORD to give me a special blessing! A news reporter contacted the pastor to see if he could interview the team from America that came to help. Just before my interview, I asked him if he would make me a promise. I said, I would like to present the Gospel and would you promise to run it in its entirety without editing the message. He promised and he did! The entire viewing audience of the country of the Bahamas heard a clear plan of salvation on the news that evening! Only Heaven will reveal the fruit from this event. The icing on the cake came on our first flight home. Our flight was loaded, with the exception of the last two seats in the back. These seats were filled with a police officer transporting an inmate to Nassau; I even got to give the Gospel to an inmate on the trip! Glory! (Excerpt from Brother Mike Van Horn's recent newsletter)

ROMANIA

Praise the Lord for another great year in service. The Lord allowed the Romanian team to preach over 812 times to over 2132 prisoners. We were able to see 59 men and women accept the Lord in 2019. We mailed out 2439 Bible Study courses with 74 prisoners finishing the New Testament. Please help us pray for the ongoing printing, postage and need for Bibles here in Romania.

Missionary Mircea Cristian
Romanian Director

AFRICA

We are now working in ten African countries in 134 prisons and 69 public schools. We are assisting five local churches with church plants preparing them to reach their local schools, jails and prisons. Last year, our missionaries and national partners reported preaching to 195,748 prisoners and 44,985 public school kids. Praise the Lord for the thousands that heard and responded to the Gospel.

PHILIPPINES

The Philippine prison population this year has increased greatly due to drugs and gang activity throughout the nation. The increased stress level for the officers in the prison has resulted in new rules and regulations for the inmates which has limited our being able to visit at times. Please pray with us about this matter.

The large penal colony New Bilibid Maximum Security has stopped visitation for weeks. Praise the Lord, we were able to build a church building in the institution several years ago where saved inmates would have a place to meet. The men continue to meet faithfully in our absence. In October we were informed that the SAF security team would be clearing out all unnecessary buildings due to a recent bombing in the prison. After much prayer the prison officials let us keep the church building. Praise the Lord!

THE POWER OF GOD THROUGH PRAYER

Several years ago, as we were concluding a Bible club and packing up to leave, I passed the schools custodian sweeping and cleaning a classroom. I stopped to thank him for keeping the school clean and we began to talk. I explained to him that with the help of a local church in the area we were teaching Bible principles in the schools classrooms and having Bible devotions in Bible clubs. He told me that he appreciated what we did in the school and he wanted us to know that as he swept around each desk he would pray for the students and lift them before God as he saw their names. During that next 12-months there were sixteen souls saved at that school. No doubt this was the result of this dear saint touching the throne of a most Holy God on their behalf. This man is several years retired now and there has been a change at the school, but not a good one. During the first semester the school staff started to notice what was described as an uneasiness among the students in the classrooms. Despite the staff's best efforts these problems were not going away. Then during a staff meeting came the suggestion from the principal, of the power of prayer.

A teacher then called and asked if I could contact some local pastors to coordinate a prayer walk within the school.

When the pastors got the request, they were excited and eager to help both, school and community. On the morning of the prayer meeting local pastors came and

went two by two walking the hallways, calling out to God each name on the lockers and classroom doors. When the staff arrived that morning, many had no idea what had just taken place prior to their arrival. But in a way that only our God can, the teachers said they could feel the presence of God in the school that day. Making a change in the students and binding opposition as only He can. There was such a difference in the atmosphere of the school after prayer that the staff has asked for the pastors to return and pray every nine weeks.

Our prayer is that the Holy Spirit will draw many students to know Christ as their personal Saviour.

Can you imagine if the churches of our nation got involved in a ministry that allows them to legally teach, preach, and pray in their local schools? Great positive changes could be made in communities and throughout our nation! I am thankful for a school staff that knows God has the power to straighten things out and are not too proud to ask for prayer. I cannot express enough the honor and humility to be counted as a servant of our Lord in the public schools.

Lovely Ladies

MINISTRY UPDATE

Our missionary, **Ms. Holly Combs**, has such a sweet desire for her life to count for Christ. After her late husband moved to heaven, she continues her service in the women's prisons all across America. Now traveling unaccompanied by her loving husband, needing to raise her own personal support, booking hotels herself and eating alone are just a few of the huge adjustments she has faced. Ms. Holly has 61% of her support and is still in need of churches and individuals to partner with her in prayer, if you would add Ms. Holly Combs to your prayer list, I know she would appreciate your prayers. Ms. Holly travels alone as far as Washington state to Florida and the northeast to Texas helping the Rock of Ages Revival Teams reach women prisoners for Christ. God has truly used her testimony and life to see many souls saved and encouraged in the Lord. Let's hear one of her personal stories:

INMATE STORY:

It was a crisp, cool Saturday morning, as the ladies revival team walked across the prison yard to the dorms, we would be visiting that day, I remember praying that God would do something in the lives of the ladies we would be talking to. It is not that I do not relish putting any goose eggs on my reports for Rock of Ages or don't want to have a boring prayer letter, but I so desire my life to count for Christ. He has given me everything!

As we entered the dorm, ladies in white uniforms with TDJC CONVICT written on their backs in black letters swirled around us. The dorm expeditor asked who we were and announced to the whole dorm that we were there to visit with them. We headed back to the day room while missionary Yvonne Brown put a packet of Gospel materials and tracks on each of the inmates' bed. I put down my tray of material and turned around. A line had already formed, so I motioned for the first one to come sit with me. Unlike so many of the other ladies who were already crying, she was sporting a grin from ear to ear. Her name was Anna. She asked if she could tell me her story.

Anna's parents were killed in a drunk driving accident when she was seven years old. She had to go live with her grandparents and her uncle. Her grandparents seemed to think of Anna as a burden and were busy working during the week and partying during the weekend. They did not have the time or desire to love on her. Her uncle was another matter entirely. He raped her almost daily from ages 7-17. As Anna got older, she would threaten to tell on her uncle, but he was a drug dealer and would tie her to a chair and shoot her up with drugs. It did not take long for Anna to become addicted to drugs. Her uncle would use her as a drug mule to transport his drugs and pimp her out for money. She was lonely, unloved and desperate. She was just about to turn 18 when she was picked up by the police for driving erratically. She was carrying her uncles

drugs and was charged with dealing and sent to jail. The night before she was moved to prison, some of the ladies in her dorm were discussing whether or not there was a God. Anna had never been to church or had anyone witness to her, but said she had to hope that somehow someone out there had a plan for her life.

While laying on her bunk that night, she threw up a prayer and asked if there was a God, would He please let her find Him.

The next day (Thursday), Anna was transported to prison. When you first arrive at prison, you don't have any privileges for the first 30 days. That usually includes church services. That Thursday night, we started our prison revival and Missionaries Paul Henry and Dennis Terry both preached different messages on Who Is God. I thought it was interesting at the time, that they would both preach different messages on the same topic, but God moved during the service and many ladies came forward to get saved. Anna was one that I had the opportunity to lead to the Lord that night. She was sent to the chapel by mistake and should not have been in the service, but God had heard her prayer and sent the answer she desperately needed. When I walked into her dorm on Saturday morning, she told me her story and I could not help but marvel at the amazing grace of God. We went over verses on assurance of salvation, and let me tell you, she got it. She told me she couldn't stop smiling if she tried. She finally felt clean on the inside. God is so good!

PRAYER FOR AN INMATE:

You hear so many stories in prison that you could never remember them all, but some you can never forget. The inmate looked all of 16, but had been 18 when she committed her crime (capital murder) and had received a sentence of life without parole. Her mom was a drug addict and did not have the money to feed her addiction, so she traded her then seven-year-old daughter to her 40+ year old drug dealer in exchange for a fix. The girl spent the next 11 years living in the dealer's basement. She never went to school much less Sunday school. She was his property and had to do whatever he wanted. I cannot even begin to fathom what her life must have been like. She finally reached a point where she felt she could not take it another day. She stabbed the man

to death while he was sleeping, and because he was not actively attacking her at the time, she got a life sentence. She lived in a state with the death penalty, but was only given life due to the extreme circumstances she had endured. She went from one prison to another. She has not gotten saved yet, but has been witnessed to several times. Please pray her salvation.

My life's verse is Jude 22 "And of some have compassion, making a difference". The need in the women's prisons is so great, and our opportunities so many, there is no way, humanly speaking, to make a dent in the problem. Not only are most of incarcerated women wounded, but they are leaving behind vulnerable children who are robbed of their mothers and suffer abuse and neglect themselves. It has become a self-perpetuating cycle that only God can break. Romans 10:17 tells us "So then faith cometh by hearing, and hearing by the word of God". They cannot hear unless someone goes and tells them. Please pray for more laborers! Rock of Ages is only reaching about 22% of the total prison population in America. That might seem like nothing and truthfully, it is not much, but it makes an eternal difference to those who do hear and receive God's Word.

MS. COMB'S GOAL

This year, my personal goal is to work one-on-one with the lady chaplains and spend time going into prison with them on a day by day basis. I am wanting to learn more of the counseling side of the ministry. The chaplains have years of experience working with the inmates and there is nowhere in ministry that this would not be useful. Every year my schedule varies as do the number of states in which I work. God is so good at meeting my needs.

NEW ONLINE VIDEO COURSES

Through the years we have seen a need in many churches for teachers, pastors are not having enough teachers to fill their need, and pastors needing quality materials for Sunday School, Bible Classes, shut-ins, and to offer college-level classes in their church.

The eight courses that we now have available are only the beginning. Each course consists of 13 – 16 lessons that will average 45 minutes each. They can be purchased and used repeatedly in multiple classes. The courses are recorded with the instructors that have written the materials doing the teaching.

These new video courses are easy to follow and impart knowledge from God's Word with great clarity, detail, and interesting visual presentations. It is a great avenue to engage more of God's people in studying His Word as it is very effective for people with limited time.

The cost of each course is \$300.00 and will include all lessons pertaining to the course purchased as detailed in the Presentation Video.

In the long run, the materials will be much more cost-efficient than curriculum that has been made available to churches in the past.

Again, our goal is to be a help to God's people, by presenting a means or method of teaching that will enhance their desire to learn. In return, I believe they will have a greater desire to serve.

Revealing Islam By Dr. Robert Keeton

Since May of 1996, Dr. Robert Keeton has taught missionaries and held church seminars on the religion of Islam. In *Revealing Islam*, Dr. Keeton gives us an informative look at the beliefs and practices of Islam that will help to equip the reader with knowledge of how to reach them. This instructional book reveals his research to us, and the blessing he has had to put his findings into practice. He does this by providing examples of his experiences witnessing to many Muslims and seeing them come to Christ.

Dr. Keeton also reveals the rapid advance of Islam in our present day and its emerging role as the one-world religious platform for the antichrist during the tribulation period.

This is a wonderful resource, and has been instrumental in many accepting Christ as Saviour through the Biblical principles it presents.

Dr. Mike Van Horn has a great burden to awaken 21st century Christians to the seemingly forgotten practice of fasting.
