CORONAVIRUS OPENS NEW AVENUES OF MINISTRY!

Keeping with our theme for 2020 God has opened new doors of opportunity for Rock of Ages Ministries and our missionary families. We are believing “God is Able” Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Ephesians 3:20

While the majority of prisons, jails, and schools in America and throughout the world are temporarily closed to volunteers and guests during the coronavirus outbreak, God has opened other avenues for us to proclaim the Gospel in institutions.

PRISONS

Praise the Lord for missionaries who have the ability to discern an open door of opportunity and are sensitive to the leading of the Holy Spirit. As a result of the coronavirus temporarily restricting entrance to state and federal prisons, our missionaries realized there was a great need for masks to be provided in the institutions for both officers and prisoners. As a result, masks were purchased and placed inside ziplock bags with Gospel tracts and provided to prisons and jails. Many officers and prisoners received masks with Gospel literature who normally would not accept the Gospel. Some missionaries have started radio broadcasts through local stations near the prisons. Others are providing preaching DVDs to the prisons to be aired on the prison channels.

The director of a juvenile facility contacted one of our missionaries stating the young people at her facility were eager to attend church services and had a great desire to hear preaching. She went on to say she had never seen this type of spiritual desire among the residents. Realizing the potential, one of our missionaries jumped into action and God opened a new avenue of ministry to the juvenile facilities that has extended to the prisons. Several of our missionary families are involved in this new opportunity. A new avenue of ministry has opened to the Prison Prevention team ministering in the public schools and has the potential to reach an entire family! For more details on these avenues of ministry in the Juvenile Facilities and Prison Prevention please read Rick Hildebrand’s article on page 8.

TO EVERY THING THERE IS A SEASON, AND A TIME TO EVERY PURPOSE UNDER THE HEAVEN:

ECCLESIASTES 3:1

I was eight years of age and my dad was stationed at Fort Hood, Texas, and I can still remember standing outside and all along the sidewalk families stood while husbands and dads were preparing for what is now known as the Cuban Missile Crisis. There was an air of fear as husbands and wives were hugging each other and their children. Later as a teenager, I would be in high school at the height of the Vietnam War (some refer to as a conflict) and though ready to go if called on there was ongoing fear as many would never return home.

Then at 44 years of age Brother Elvis Emerson and I had just checked into the hotel in Bucharest, Romania when Brother Mircea Cristian knocked on my door and said, "Brother Ricky you need to turn on the television, America is Under Attack!" So many thoughts went through our minds and fear began to grip our hearts. Are our families okay? Who is this enemy that has attacked us? And now the world is gripped by fear of an unseen enemy. This enemy has

crippled an international economy and has quarantined the world.

However, every born-again believer realizes that we have battled an unseen enemy since we were saved. Saints and servants of the Lord wrestle not against flesh and blood but an unseen and very real enemy. In the gospels we read that our Lord would be taken by the enemy to be tempted. The Bible would then tell us that when the devil ended all his temptations He would depart for a season. Solomon tells that for everything there is a season. Praise the Lord that seasons come and go with time and that with everything there is a purpose. It is truly exciting to hear though what appears to so many to be a time of idleness many report souls being saved and families gathering together again and having family prayer and devotion. These are great times to pray for one another and to begin to prepare for the time that when so many are looking for answers we can be ready with the answer.

AFRICA

The container loaded with French and English Bibles, New Testaments, John and Romans and various Rock of Ages printed material is still on schedule to arrive in Liberia the end of April. The material will be used in Liberia, Sierra Leon and Ivory Coast. Please keep our partners throughout Africa in your prayers as they work to get the material to their countries and that the Lord will open the door for the material to be distributed to the prisoners.

GUATEMALA

Preparation for purchasing the three-story complex that we have been renting was to begin this May. However, the dear brother who had made us a great offer and was prepared to move forward with the contract in June went on to be with the Lord as a result of contracting the Covid-19 virus. Of course, the property will now go to the children who are asking market value. This increases the cost by \$100,000. Please pray for the family at the loss of their father and pray as we seek other options to purchase property.

ROMANIA

Brother Mircea Cristian is in contact with many of the volunteers and partners that have worked in the prisons throughout the country. They began to pray, with the country closed how can we reach the prison staff? The team decided to raise funds to order 20,000 masks from China, purchase a special sweet roll for every officer and inmate and supply a New Testament and a gospel tract with the plan of salvation and send it to every prison we are working. Please pray that all goes well as they wait on the masks, and prepare for distribution.

PHILIPPINES

The work continues to be closed down throughout the prison systems. Several years ago, the Rock of Ages was able to build a meeting place in the Bilibid Prison which is located on the outskirts or the Manila area. The saved men have considered this place their church. Rock of Ages missionary Jun Monderin goes in on a weekly basis and holds services. The inmates felt that they should be giving their tithe and offerings to help with the weekly meetings. Recently, with the inmates not able to meet they got together and sent their offering of 2000 Pesos (\$40) to their preacher. What a joy that the men remain faithful.

The families overseas continue to send Bible lessons to the prisoners and praise the Lord we are seeing men and women write back and share how through the lessons they have been saved.

Several of our missionaries and partners are working diligently during this time in translation work.

JOIN US IN PRAYER:

1. As we continue preparing, translating, printing and shipping materials around the world.
2. When the prisons and public schools open again that the Lord moves on the heart of those in charge of the need of the gospel.
3. For the health of our missionaries and their families as they go back into areas that one high risk.
4. ABOVE ALL, what a time to pray for revival!

The Discipleship Institute

consists of three divisions: Prisoners Bible Institute, Servicemen's Bible Institute, and the Sojourners Bible Institute. We have nearly 19,000 prisoners as students world-wide. All the lessons are done through correspondence, with the textbook being the King James Bible. There are a total of 31,381 questions available for the students to complete, and it is still expanding.

Romans 10:17
**"So then faith cometh
by hearing, and hearing
by the word of God."**

We just believe the Bible, and take it to mean what it says. Therefore, we put forth every effort we can to saturate the prisoner with the Word of God, and God gets all the Glory for what takes place. We will follow the inmate throughout their incarceration, keeping the lessons flowing to them, even as they change institutions, and to those who desire to continue, when they are released to go home. It is definitely a rewarding ministry. We get to see many souls saved, and many lives changed and strengthened to live for God. Last year we received letters

and notes from 1,506 telling us that they had been saved as a result of doing the lessons.

I want to share one such note with you that blessed my heart and I trust it will yours as well. It was one of those that just re-enforced the fact that it is worth every cent it takes to print and mail those lessons. By way of explanation, so that you will understand his opening statement, we send every inmate that completes the entire New Testament studies a paperback Rock of Ages Study Bible as a reward for their accomplishment.

"I want to thank you for sending me the Rock of Ages Study Bible. You don't know what a blessing it was to receive. Your studies have done so much for me. All your studies have re-shaped my life in understanding and walking in God's Word. Each one of your studies has enriched my soul in so many ways. I thought that I had an understanding of what it took to be right with God. **Through the lessons I realized I did not understand the true meaning of repentance, but I do know now and I did repent, and I have given my life to the Lord.** I am on my second round reading my Bible through and marking it as God lays things on my heart. In September, I lost my dad to cancer, but I was able to share God's Word with him before he passed. Now he is spending his life with Jesus. Thank you for your time and all your help in changing my life in God's Word." Inmate

Philippians 4:17

"Not because I desire a gift: but I desire fruit that may abound to your account."

What a blessing to see fruit bearing fruit. What a blessing we have in store for us when we get to heaven and learn of the full impact of our efforts here, and the fruit that has been borne. Just think, this is just one of thousands that the lessons has made an impact on. God gets all the glory, for it is His Word that has done it all. We have the privilege of being a part of such a great ministry.

We literally receive letters constantly sharing with us what God has done and is doing in the lives of inmates. The inmates are constantly thanking us for the lessons, but we can not accomplish the task without you and your prayers holding up this ministry before the Lord. We want to join the inmate in thanking you that have given financially and prayed faithfully for God's blessings upon the Rock of Ages Discipleship Institute.

These lessons are available online "free" to anyone that wishes to do them, including our military. If you know someone serving in the military, please tell them about these lessons.

Please visit our website www.roapmdi.com to register and get started working at your own pace. You can even print your own certificates when you complete a lesson.

JUVENILE MINISTRY

It is always amazing to see God at work when it seems all things are impossible. If we will turn to Him, He is faithful to do exceedingly above all we ask or think.

Psalm 107:1-2 **O give thanks unto the LORD, for he is good: for his mercy endureth for ever.** Let the redeemed of the LORD say so, whom he hath redeemed from the hand of the enemy; **Psalm 107:8** Oh that *men* would praise the LORD *for his goodness, and for his wonderful works to the children of men!*

The phrase in verse 8 is used four different times. God delivers different types of people out of critical circumstances they had gotten into. He is faithful and it is true "Oh that men would praise the Lord for his goodness." In these days of uncertainty in our world it sure is a wonderful thing to open up our Bible to get a strength that is not ours but His to sustain us through any and all troubles that life will give us. We have experienced changes like we have never known. But here in the Juvenile side of the ministry there are always challenges when working with troubled youth. We have been saying for some time that we need to think outside the box. In our world that is rapidly changing toward a godless society, we are working with some governmental establishments that are setting limits on us doing things the

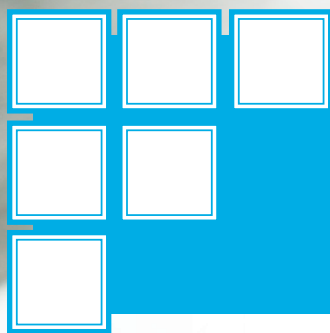

way we have always done them. As a result, Missionary Larry Key looked for ways to expand his ministry outreach and he started sending emails to all of the facilities he conducted services in encouraging and informing them that Rock of Ages is praying for them. A facility in Georgia where he had just received clearance to have a special meeting before the Coronavirus hit causing the meeting to be canceled responded to him thanking him for his encouraging words. Later, the director contacted him stating the young people at her facility were asking for church services and that she had never seen this type of spirit among them before. She asked if the ministry would write to encourage the youth to serve the Lord. Brother Key contacted several of the Rock of Ages missionaries and asked them to write devotions and encouraging letters and to be sent to the facility.

The Gospel is going in each week to this facility through the personal devotions and letters to each 85 plus young men at this facility. I ask you to pray that as we share this avenue of ministry with other facilities that they will allow us to implement this at their institution. God Can!

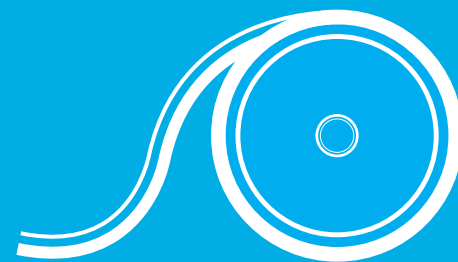

The Prison Prevention team has implemented a new avenue of ministry to the schools during this time of the Coronavirus "stay at home" orders which has temporarily closed our learning institutions. Brother Jeff Bellamy is working with the team putting together videos of missionaries teaching our Character Under Construction (CUC) lessons. Teachers are providing the videos taught by the missionaries that normally teach in their classes. This has been a very effective ministry outreach and has proven to be a great blessing to many students and teachers. Our missionary Marvin Hollifield received a photo of a student watching a video with their younger sibling viewing it with them. The sibling does not look of age to attend school, but both were glued to the monitor as the lesson was taught. The photo was sent from a grateful mother! Please pray with us as we seek the face of God for wisdom on how to proceed with this new opportunity that lays before us. **Who can tell what God will do!**

FROM THE PRINT SHOP

I am excited to once again report on what God is doing through our Publishing Department.

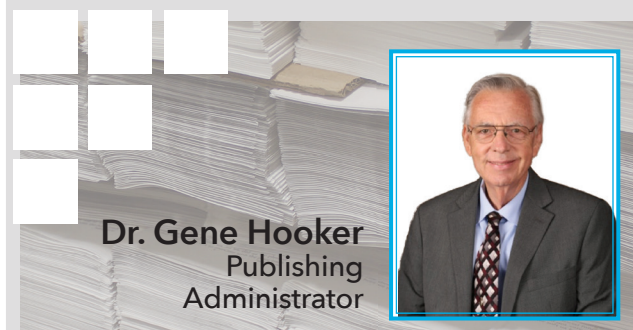

We have recently printed 5 new books written by our missionaries. We were only able to print 33,000 of each book due to our lack of cover stock. These 165,000 books will not last very long. We normally would print 70,000 to 100,000 of each title. We sure could use some financial help for paper. Especially cover stock.

Our missionaries go soul winning in prisons across America almost every day. **As they go preaching the Gospel they also distribute thousands of books and tracts as they endeavor to win the lost to Christ and encourage the ones who are saved.** We often receive mail thanking us for the Gospel material that brought them to the knowledge of the saving Grace of God. Prison is a lonely place even when surrounded by hundreds of people. Our material means much to

the inmates. Prisons are on lockdown and closed to outside guests at this time. Even though we cannot enter to minister, thousands can hear from heaven through the printed word they receive.

Due to the coronavirus our office was on restricted operational mode and the print shop was closed for a brief time to protect our staff. **We have reopened the printshop and once again we are printing as usual.**

Please know we are praying for our friends and supporters that the Lord will protect you, and keep you safe during this pandemic. Thank you for all you have done and are doing to help us win the lost and encourage the ones who are saved.

Lovely Ladies

MINISTRY UPDATE

One of our single missionaries, Miss Sarah Burnett, is such a tremendous blessing wherever the Lord leads her. She started out with very little monetarily after leaving the Air Force where she served as Military Police and dispatcher for 911. She has traveled all across America to women's prisons faithfully trusting God all along the way. Miss Sarah has seen many trust Christ as their Saviour and enjoys serving the Lord with excitement about the opportunity the Lord has opened to her. To name a few, in Tennessee there were 80 precious souls saved, and 206 in a revival meeting in Alabama, and 28 ladies were saved during a Christmas Stocking distribution in Washington State. Please remember Miss Sarah in prayer as she continues her ministry in reaching lost souls for Christ and the financial support needed to travel full-time to the women's prisons of America. Let's hear her testimony and a message from her pastor:

TESTIMONY:

Thank you for this opportunity to share my testimony and burden for the incarcerated women of America. I was raised in a Christian home and was saved at the age of seven. My mother had the special opportunity of leading me to the Lord at our home on the garage steps. Shortly after, I attended Jr. Camp where I surrendered to serve the Lord fulltime in some type of ministry capacity. After graduating high school, I struggled with the will of God and desired to enlist in the Air Force. I began making a series of many bad decisions and realized I was ruining my life outside of the will of God. One night while serving in South Korea, feeling discouraged and defeated, I asked God to help me and the Lord sent a missionary and I began going back to church and re-dedicated my life to the Lord.

After separating from the Air Force, the Lord gave me a job working as a dispatcher. During my tenure, I felt as though I was helping people by sending the police and fire department, but in my heart, I knew they needed the Gospel and this was the only thing that would change their hearts and lives. The Lord continued to burden my heart to reach the lost through every area of my life such as: going on a mission trip, soul-winning, teaching Sunday School, working in the bus ministry and music ministry. The Lord began dealing with my heart specifically about the prison ministry after getting selected for jury duty. The group was

given a tour of the local jail and as we were walking past the chapel, the Lord pricked my heart and said, "Sarah, how many people in here do you think need the Gospel?" As I prayed and asked the Lord to guide me, He began opening many doors and gave me Scripture to confirm all that He was doing in my heart to reach the ladies in the local jails and prisons.

Specifically, in April of 2018, the Lord opened a door to allow our church to have a Bible study at a workhouse which is an alternative to prison that also assists in rehabilitation. There have been 28 ladies that have accepted Christ as their Savior in this facility! The more that I work with the ladies, the greater the burden the Lord gives me! With all the different religions they allow in the prisons it is no wonder they are misguided and confused. One lady in particular has already served 7 years in prison, was released, and because of a parole violation was back in the system. She wished the judge would have sent her back to prison to finish her remaining time but instead he sent her to a correctional facility we were ministering in. She shared with me that she was separated from her children, had no hope, and would rather be back in prison because it taught her how to become a better criminal. To God be the glory, she is 1 of the 28 that has since made a profession of faith. Please pray that God will do a great work in her heart and that she will live for Christ.

PASTOR'S RECOMMENDATION:

It is with great honor that I introduce to you Sister Sarah Barnett. She is a faithful member of Salem Baptist Church. She has served as a Sunday School teacher, has been a hard worker, and a soul winner. The Lord began working on her heart about a year ago to go and reach an ever growing epidemic of incarcerated women which is today the quickest growing demographic of people in our prisons and jails across our nation. This burden has not just been in sister Sarah's thoughts, but she has responded with the same zeal and fervor as she has put into everything else she has put her hands to within our congregation. She has been working with the ladies in one of our local jails here in Cincinnati and has been blessed to see many souls saved during her time in this facility.

She has recently surrendered to work with incarcerated women fulltime through Rock of Ages Ministries based in Cleveland, TN. She has been through rigorous training and questioning at Rock of Ages and has come through with an ever-increasing burden for these women that need the truth so desperately. It goes without saying that sister Sarah is not preaching but rather sharing the Gospel and conducting Bible studies in areas our men cannot go. I cannot emphasize enough the need for godly women in this field ripe unto harvest!

I would encourage you to prayerfully consider supporting Sister Sarah as she travels across the country sharing the Gospel with these women. I trust you will be encouraged by her testimony and her zeal for the work God has given her to do.

Sincerely,
Patrick O. Hackathorn Jr.

NEW ONLINE VIDEO COURSES

Through the years we have seen a need in many churches for teachers, pastors are not having enough teachers to fill their need, and pastors needing quality materials for Sunday School, Bible Classes, shut-ins, and to offer college-level classes in their church.

The eight courses that we now have available are only the beginning. Each course consists of 13 – 16 lessons that will average 45 minutes each. They can be purchased and used repeatedly in multiple classes. The courses are recorded with the instructors that have written the materials doing the teaching.

These new video courses are easy to follow and impart knowledge from God's Word with great clarity, detail, and interesting visual presentations. It is a great avenue to engage more of God's people in studying His Word as it is very effective for people with limited time.

The cost of each course is \$300.00 and will include all lessons pertaining to the course purchased as detailed in the Presentation Video.

In the long run, the materials will be much more cost-efficient than curriculum that has been made available to churches in the past.

Again, our goal is to be a help to God's people, by presenting a means or method of teaching that will enhance their desire to learn. In return, I believe they will have a greater desire to serve.

If you need more information, or have other questions, please contact us.

THE PROVERBS 12 MAN

The Proverbs 12 Man is an exposition of the twelfth chapter of Proverbs. Biblical principles and instructions for implementing those principles are given for the maturing man who chooses to live godly. Consequences of rejecting those principles are presented to attempt to restrain the young man who is choosing a destructive path. The maturing godly man is encouraged to be observant of those around him and give attention to their needs.

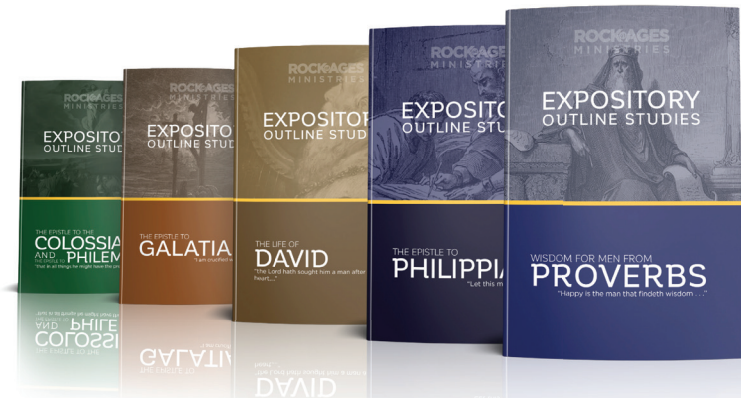

ELIJAH: THE MAN OF GOD

This book explores the character and events in the life of Elijah, the Old Testament prophet. Although serving God during a time of great wickedness in Israel, he was sensitive to God's call and willing to do whatever God demanded even though his human weaknesses were revealed at the brook Cherith. Elijah was not a super saint as he often cried out to God complaining about his condition. Within the seven miracles God performed through Elijah, practical applications of spiritual growth are presented through his responses. Even though his human weaknesses often troubled him, he never shirked his commitment to God's call on his life.

Revealing Islam By Dr. Robert Keeton

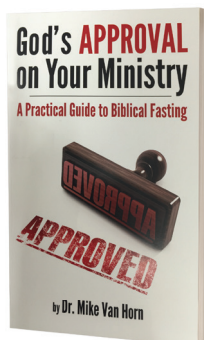

Since May of 1996, Dr. Robert Keeton has taught missionaries and held church seminars on the religion of Islam. In *Revealing Islam*, Dr. Keeton gives us an informative look at the beliefs and practices of Islam that will help to equip the reader with knowledge of how to reach them. This instructional book reveals his research to us, and the blessing he has had to put his findings into practice. He does this by providing examples of his experiences witnessing to many Muslims and seeing them come to Christ.

Dr. Keeton also reveals the rapid advance of Islam in our present day and its emerging role as the one-world religious platform for the antichrist during the tribulation period.

This is a wonderful resource, and has been instrumental in many accepting Christ as Saviour through the Biblical principles it presents.
