# GAINING ENTRANCE

Colossians 4:3 "Withal praying also for us, that God would open unto us a door of utterance, to speak the mystery of Christ..."

**W**e are excited about what God is doing in 2022. The doors are reopening to gain entrance to the prisons, schools, and military facilities around the globe. Thank you to those who pray, financially support, and volunteer to help us at Rock of Ages Ministries. God is still sovereign, He is in control, and He is still working in the lives of His people and saving sinners that call upon Him. This quarter we will discuss the great opportunities that are open for you to serve at Rock of Ages Ministries as a volunteer or

missionary and how you can use your gifts, talents, and life experiences for God's glory. We will also look at Rock of Ages and the various ministries we are involved in and each ministry department. If you are ever in the Cleveland, Tennessee area, I want to extend to you a special invitation to visit the main office; we would be honored to have you as our special guest.

From the Field:

# EMERGENCY RESPONDERS *Outreach*

**R**ecently, a church sent a love offering for 1,000 Emergency Responder New Testaments at \$2.50 a piece. Often, our giving is by faith, and we do not know the results until Heaven. However, this time, we can share some of the results with you right away and where the Lord directed us to distribute these New Testaments.

On March 9th, myself, Bro. Jeff Cassell, and a good friend, Pastor Joey Horn, set out to deliver 1,353 New Testaments to Green County and Grainger County in Tennessee, with the help of the State Chaplain for the Tennessee Highway Patrol. He drove with us all around Green County delivering NTs to every county and city police, fire, and 911-worker. As we arrived at the Greeneville City Police and delivered 70 NTs this chaplain put a NT in every officer's mailbox at the station. We also gave these officers a booklet from Rock of Ages entitled "God's Wisdom". Outside the police station, we met one of the officers who was a Christian. He was thrilled about the NTs and shared with us that he deeply cared about the souls of his coworkers. **He was excited about the New Testaments, and we saw tears well up in his eyes, seeing that we cared about him and his officers receiving God's Word.** After this wonderful stop, we drove throughout the county reaching all firemen, EMS workers, and dispatch personnel.

After finishing up in Green County we stopped for lunch where I had an unpleasant exchange with a man when I tried to give him a gospel tract. He was so bitter that even just the mention of God caused him to curse about his past and its troubles. We left praying that the Holy Spirit would give him another opportunity and make his heart tender toward the gospel.

Our next stop was Grainger County where we delivered 237 NTs, followed by our last stop, a volunteer fire department in Bean Station, Tennessee.

While we were waiting to attend the fire department's monthly meeting, suddenly the alarm was sounded, and all the firemen jumped on the firetruck and took off. We carried the NTs into the station and noticed on our way out a young man who was left behind. Bro. Cassell began

talking with him and when I noticed the conversation heading for Calvary, I slipped by and handed Bro. Jeff a Bible. I then got down behind our pickup truck and called upon the Lord for this young man, as also Pastor Horn was doing in the fire station garage bay. A few minutes later the young man called upon God and was born into the Kingdom of Heaven. He had just moved to Bean Station and was looking to join the Fire Department that night. He had no idea that God would send three men that day to come by his way and show him the way to Heaven. After a few minutes the fire truck returned, we met the firemen, were allowed to pray with them, and Bro. Cassell brought a quick word from their New Testaments. All three of us left rejoicing all the way home! Dear Christian friend, your sacrifice and prayers are not in vain - great is your reward in Heaven!

I would like to close this field report with an urgent prayer request. More so now than ever before as we see the day of The Lord's Return approaching, we are confronted daily with the ungodly decay and downward spiral of society around us and worldwide. Praise God, He has given us the solution - His Word, the Holy Bible! Missionaries, pastors, churches, prison chaplains, and Christians just like you, call us daily with requests for Bibles. **Would you please consider helping Rock of Ages Ministries with a donation to help publish more Rock of Ages Study Bible?**

# Only Good News!

## **I have good news about an Officer who got saved at Turney Center Complex, Only, TN. I witness to all officers as well as the prisoners.**

I was in A-Building checking my mail at the Chaplains Box, an officer approached me and said, “Chaplain I know that you are a true man of God, and if there is anyone that I can trust, it is you. Through the years you that you have been at Turney Center, I have gained a high respect for you and your ministry.” He proceeded to say, “Chaplain, I want to ask you a question about being saved”, he went on to ask me if I believed that joining a church would take him to heaven, and I said, “No Sir, you can join every church in the State of Tennessee and still die lost unprepared to meet God”. He said, “Years ago when I got out of the military I joined a church with my wife and we attended there for some time and eventually we quit going to church altogether”. He said, **“I have felt in my heart for a long time that something isn’t right in my life and I need to know what I must do to be saved”**.

I had a Rock of Ages Study Bible with me that I had intended to give to a prisoner and showed him that there must be a drawing of the Holy Spirit to God according to John 6:44, and that he must realize he’s a sinner, and he must repent of his sins to get

to heaven. I asked if he believed in heaven and he said yes, I asked if he believed in hell and he said, “Yes, that is where I’m going if I don’t get saved”. I showed him in the Bible how he could be saved. After I shared the scripture with him he we bowed his head and asked Jesus Christ to come in his heart. He said, “Chaplain, I feel a whole lot better now”. I assured him it was because he was a child of Jesus Christ. We went our separate ways and when I got to the chapel, the Holy Spirit impressed on my heart to take him a ROA Study Bible and some gospel material. I gave him the Bible and materials and told him of a good church to attend in Decatur, TN. This officer still thanks me every time I see him.

I called the pastor and asked him if the officer and his wife came to his church and he said that the officer and his wife had started attending the church. I told the pastor that I had led the man to the Lord but did not think his wife was saved and asked if he would talk with her. The wife got saved at the church and both got baptized and joined the church. The Holy Spirit never gives up on anyone; even years after joining a church, this officer knew he wasn’t saved. God allowed our paths to cross and I was able to lead him to Christ.

We are excited about how God will use the chapel for His glory as our MAPS has already challenged several youths to surrender their lives to missions and to full time service for the Lord. The chapel will allow us to expand our training outreach and impact among youth.**

**Please join with us in prayer for a couple of items needed for the chapel:**

- **300 chairs at \$76 each**
- **Hymn books at \$13.95 each**
- **Carpet & installation at \$10,000**

## **NEW ONLINE VIDEO COURSES**

*Through the years we have seen a need in many churches for teachers, pastors not having enough teachers to fill their need, and pastors needing quality materials for Sunday School, Bible Classes, shut-ins, and to offer college-level classes in their church.*

The eight courses that we now have available are only the beginning. Each course consists of 13 – 16 lessons that will average 45 minutes each. They can be purchased and used repeatedly in multiple classes. The courses are recorded with the instructors that have written the materials doing the teaching.

These new video courses are easy to follow and impart knowledge from God's Word with great clarity, detail, and interesting visual presentations. It is a great avenue to engage more of God's people in studying His Word as it is very effective for people with limited time.

The cost of each course is \$300.00 and will include all lessons pertaining to the course purchased as detailed in the Presentation Video.

In the long run, the materials is much more cost-efficient than curriculum that has been made available to churches in the past.

Again, our goal is to be a help to God's people, by presenting a means or method of teaching that will enhance their desire to learn. Resulting in a greater desire to serve.

## **THE PROVERBS 12 MAN**

*The Proverbs 12 Man* is an exposition of the twelfth chapter of Proverbs. Biblical principles and instructions for implementing those principles are given for the maturing man who chooses to live godly. Consequences of rejecting those principles are presented to attempt to restrain the young man who is choosing a destructive path. The maturing godly man is encouraged to be observant of those around him and give attention to their needs.

## **ELIJAH: THE MAN OF GOD**

This book explores the character and events in the life of Elijah, the Old Testament prophet. Although serving God during a time of great wickedness in Israel, he was sensitive to God's call and willing to do whatever God demanded even though his human weaknesses were revealed at the brook Cherith. Elijah was not a super saint as he often cried out to God complaining about his condition. Within the seven miracles God performed through Elijah, practical applications of spiritual growth are presented through his responses. Even though his human weaknesses often troubled him, he never shirked his commitment to God's call on his life.

### Revealing Islam By Dr. Robert Keeton

Since May of 1996, Dr. Robert Keeton has taught missionaries and held church seminars on the religion of Islam. In *Revealing Islam*, Dr. Keeton gives us an informative look at the beliefs and practices of Islam that will help to equip the reader with knowledge of how to reach them. This instructional book reveals his research to us, and the blessing he has had to put his findings into practice. He does this by providing examples of his experiences witnessing to many Muslims and seeing them come to Christ.

Dr. Keeton also reveals the rapid advance of Islam in our present day and its emerging role as the one-world religious platform for the antichrist during the tribulation period.

This is a wonderful resource, and has been instrumental in many accepting Christ as Saviour through the Biblical principles it presents.
